HULL AND DECK

- Hull and superstructure build in fibre-glass with polyester "isoftalica" resin.
- Structure made with frame and longeron, bulkhead in marine plywood.
- Two layer of antifouling.
- Anchor BRUCE of Kg. 20 with Mt. 70 of zinc plated chain.
- Prow nose with anchor compen-sa-tor.
- Anchor windlass W 1000 with re-mote control in the place and in the main cockpit.
- N. 2 prow mooring bit with chock.
- Forepeak with hatch.
- Wind screen made in Plexiglas and VTR frame.
- Navigation lights.
- Filler cap for fuel and water tank.
- Stern cushions covered with sky tissue.
- Foldable canapé on the wheel house with stainless steel arches
- N. 8 fenders eyebolts.

- After cushions, for sun deck, cov-ered with sky tissue.
- Socket for shore power.
- Swimming platform in VTR
- Foldable swimming ladder with 150 kg loading weight.
- Hand held shower with shout-off (only cold water).

WHEELHOUSE

- Compass RIVIERA 5".
- Electrical instruments for engines monitoring.
- Fuel and fresh water electrical level indicator.
- Flaps control with position indi-ca-tor.
- MORSE throttle (single handle).
- Automatic pilot "Navicontrol".
- Plotter with 11" LCD display type "Navionics" combined with GPS.
- Digital deepsounder "Raytheon" type ST 60.

- VHF radiotelephone.
- Pilot seat with low unit with two doors.
- External sofa "L" shaped, cov-ered with sky tissue.
- Two courtesy lights in the sofa base-ment.
- External foldable table

SALOON

- Sofa "L" shaped.
- Sofa "U" Shaped with foldable table in cherry wood finishing.
- N. 5 upper units on the right side cherry wood finishing.
- N. 3 upper units on the left side cherry wood finishing.
- Galley unit with two hot-plates, sink, four drawers, refrigerator with 100 lt. Cherry wood finishing.
- Floor made in marine plywood covered with carpet.
- Walls and ceiling covered with Sky tis-sue and cherry wood finishing.
- Lights with halogen lamps.
- Doors in cherry wood finishing
- N. 4 Portholes with curtains.

MASTER CABIN

- Double bed with mattress and blankets, basement with two drawers, finishing in Sky tissue.
- One wardrobes on each side with one drawer. Cherry wood finishing.
- Walls and ceiling covered with Sky tis-sue and cherry wood finishing.
- Mirror on the prow bulkhead.
- Floor made in carpet and striped maho-gany wood and carpet.
- Lights with halogen lamps.
- N. 2 Night lights.
- One hutch with darkener sliding panel.
- N. 2 inox portholes.

Master bathroom

- Wash basin basement with top in traver-tine.
- Wash basin with water mixer hot-cold.
- Electrical toilet.
- Walls cover with plastic laminate.
- Box shower with revolving door.
- Shower pump.
- N. 2 towel horse, soapdish, pa-per-hol-der.
- N. 1 Porthole with curtain.

AFTER CABIN

- N. 2 single beds with mattress and blan-kets.
- Walls and ceiling covered with Sky tis-sue and cherry wood finishing.
- Floor made in marine plywood covered with carpet.
- Lights with filament lamps.
- N. 2 Night lights
- N. 1 Porthole with curtain.
- One wardrobe.
- N. 3 lacquered drawers.

After bathroom

- Lacquered washbasin basement.
- Wash basin with water mixer hot-cold.
- Electrical toilet.
- Shower with curtain.
- Shower pump.
- Walls covered with plastic laminate.
- N. 1 Porthole with curtain.
- N. 2 towel horse, soapdish, paper holder.
- Floor with grating in teak.

GENERAL INSTALLATION

- Hydraulic steering
- Co2 extinguisher system with re-mote control in the wheelhouse.
- Portables extinguisher.
- Emergency closing system for the engine room windows and engine fuel lines with remote control in the wheelhouse.

- N. 2 exhauster.
- Fuel tanks in aluminium: lt. 1800.
- Water tank: lt. 500.
- Fuel water separator filter.
- Water heater: lt. 25
- General electrical controller board: 24V D.C. and 220V A.C.
- Electric generator type "EMI 40" with Kw. 3.5 at 3.000 rpm.
- Services battery: ha. 324 24V.
- Start battery: ha 108. 24V.
- Battery charger: ha. 40.
- Electrical cable for shore power.
- Fresh water pressure pump.
- Sea chest with ball.
- N. 4 submersible bilge pumps.
- Hand bilge pump.
- Hydraulic flaps.
- Zinc anode fo
- r galvanic protec-tion.
- Hydraulic fuel level indicator.
