- After sun cushions covered with sky tissue.
- Cabinet prearranged to install a galley with foldable top, ice maker and refrigerator.
- Small cabinet with two doors.
- Socket for shore power.

- Stern platform in fiberglass.
- Retractable gangway mt. 2,8 max. service boat weight 200 kg.

## SALOON

- Settee "U" shaped, cushions with tissue upholstery and lacquered table. Cherry wood finishing.
- Upper right cabinet with five doors cherry wood finishing.
- Upper left cabinet with three doors cherry wood finishing.
- Bar cabinet with two drawers and one door.
- Galley with two electrical hot plates, two sinks all covered with a foldable top cherry wood finishing.
- Galley basement with four drawers, refrigerator 110 Lt. and one door for garbage holder cherry wood finishing.
- Floor covered with carpet.
- Walls covered with Sky.
- Radio-CD with loudspeakers also in the wheelhouse.
- Ceiling covered with Sky.
- Algen lights.
- Doors in wood finishing
- Weather station: clock, barometer.
- N. 4 Portholes with curtains.

## LEFT GUEST CABIN

- N. 2 single beds with mattress and blankets.
- Walls covered with Sky-tissue and cherry wood finishing.
- Floor covered with carpet.
- Ceiling covered with Sky.
- Lights with filament lamps.
- N. 1 Porthole with curtain
- N. 1 wardrobe with lacquered door.

## Central guest bathroom

- Lacquered washbasin basement and top in travertine.
- Water mixer hot-cold.
- Electrical toilet
- Shower pump.

- Ceramic wash basin.
- N. 1 Porthole with curtain.
- Shower with curtain.
- N. 2 towelhorse, soapdish, paper-holder.
- Floor with grating in teak.

## MASTER CABIN

- Double bed with two drawers in the basement.
- N. 1 wardrobe with drawer on each side.
- Walls covered with Sky.
- Floor covered with carpet and striped mahogany wood.
- Ceiling covered with Sky.
- Lights with filament lamps.
- N. 2 Porthole with curtain

## Master bathroom

- Lacquered washbasin basement and top in travertine.
- Water mixer hot-cold.
- Electrical toilet.
- Shower pump.
- Ceramic wash basin.
- N. 1 Porthole with curtain.
- Box shower with plexiglass revolving door.
- N. 2 towelhorse, soapdish, paper-holder.
- Floor with grating in teak.

## AFTER CABIN

- Double bed with mattress and blankets.
- Walls covered with Sky.
- Floor covered with carpet.
- Ceiling covered with SKY.
- Lights with filament lamps.
- N. 1 Porthole with curtain
- N. 1 wardrobe with lacquered door.

## After bathroom

- Lacquered washbasin basement and top in travertine.
- Water mixer hot-cold.
- Toilet. with centralised flushing.
- Shower pump.
- Ceramic wash basin.
- N. 1 Porthole with curtain.
- Shower with curtain.

- N. 2 towelhorse, soapdish, paper-holder.
- Floor with grating in teak.
- Door to access to the rear peak.

## CREW CABIN

- Roller coated walls
- Single bed with mattress.
- Plastic sink.
- Toilette with electrical macerator.

## GENERAL INSTALLATION

- Co2 extinguisher system with remote control in the wheelhouse.
- Closing system for the air of the engines room with remote control in the wheelhouse.
- N. 2 exhauster.
- Fuel tanks in aluminium: lt. 2000.
- Water tank: lt. 600.
- Fuel water separator filter.
- Water heater: lt. 30.
- General electrical controller board: 24V D.C. and 220V A.C., with circuit breaker in every line.
- Services battery: ha. 300.
- Start battery: ha 200.
- Battery charger: ha. 60.
- Electric generator type "EMI 50" with Kw. 5 at 3.000 rpm.
- Electrical cable for shore power.
- Water pressure pump.
- Sea chest with ball valve.
- Water pump for fire plug.
- Water pump to wash the anchor chain.
- N. 4 submersible bilge pumps.
- Hand bilge pump.
- Hydraulic flaps with to and from movement.
- Zinc anode for galvanic protection.
- Hydraulic fuel level indicator.
- Emergency fuel stop valve with remote control in the wheelhouse.
